

# Experienced Bicycle Mechanics Wanted for Community Events

Evening, Weekends or Daytime Hours Depending on Event

---

## *Job Description*

---

### **SUMMARY OF THE JOB:**

The North Natomas Transportation Management Association (NNTMA.org) is looking for several experienced bicycle mechanics to perform diagnosis, repairs and tune ups on bicycles at scheduled community events throughout the North Natomas area. We are seeking several mechanics for multiple opportunities.

This position will require significant interaction with the community. Mechanics must be knowledgeable, friendly and positively encourage cycling for transportation, commuting and recreation.

Mechanics will work from our Mobile Bike Service Station (MBSS), a custom built cargo bicycle designed to be a bicycle repair shop on wheels.

Bicycle mechanics will work as a part of a team with one or more bicycle mechanics, scheduled as needed for events, strictly on a contract basis. Events may run anywhere between 3 to 8 hours depending on the event. Mechanics will be considered Independent Contractors and will be compensated on an hourly basis, as determined by the length of the event. The hourly rate will be up to \$15 per hour.

### **RESPONSIBILITIES/ REQUIREMENTS:**

#### Mobile Bicycle Service Station Mechanic

- Must be an experienced bicycle mechanic with knowledge and understanding to diagnose and fix a wide variety of problems on different types of bicycles
- Keep track of tools and equipment and check these items back in after each event
- Ability to work with community members of all ages and ethnicities in a friendly and professional manner
- Must be punctual, tidy and have a commitment to produce quality work

If you have these qualifications and are interested in being considered for these positions, please submit your brief resume, including experience and references to Mellissa Meng, [mellissa@nntma.org](mailto:mellissa@nntma.org). Please direct all other questions to this e-mail address as well.
